RE: CCPOA's December Contribution to the Keep California Safe Issues Committee

To Whom It May Concern:

As you are aware, during the last week of December 2018, CCPOA Contributed two million dollars to your Issues Committee. As you may not be aware, this contribution was made by our past President in the final hours of his term. This contribution was made without the new leadership of CCPOA having an opportunity to evaluate the proposed initiative to determine if the goals of your Issues Committee, and the initiative, are in step with the goals of CCPOA.

We would therefore respectfully request that the Keep California Safe Issues Committee return our contribution so that we can evaluate your positions and determine whether or not we are in support.

If you have any questions, please contact me at (916) 372-6060.

Sincerely,

Kurt Stoetzel
President
